Customer Service Representative – Full Time – Market Force

Description

Customer Service Representative – \$13.25/hr.

\$1550 bonus in first year!

Market Force Information is seeking multiple Inbound English Customer Service Representatives to support growth in our Winnipeg Operations. This is a regular, full time work from home position. No selling required.

We help global multi-location brands protect their brand's reputation, delight customers, and grow their revenues. We look for talented, collaborative, and creative team members who are passionately committed to helping our clients reach their goals. We value and encourage a collaborative work environment full of energy and ideas. We're all about improving our clients' ability to better manage their own businesses and create better experiences for their customers. Market Force has offices in Canada, North America, and in Europe, including a substantial presence in the U.K.

Responsibilities

The Customer Service Representative is the direct link to our clients and their customers. Through communicating with customers and accurately recording their feedback while promptly addressing their needs, overall client satisfaction and retention is increased. The professional frontline support offered by the Customer Service Representative directly helps clients to improve their business. A CSR also provides valuable support to all departments and team members at Market Force Information's Customer Feedback Center of Excellence.

This role is a work from home position, covering a variety of shifts throughout the week.

The successful applicant will require open availability between our business hours of 7:00 AM and Midnight, 7 days a week. Please note you will only be scheduled 5 days a week for 8 hours a day.

Key Responsibilities:

- Interact daily with clients by phone and web comments to assist them with their inquiry
- Provide customer service to our English speaking client calls
- Strong multi-tasking skills required with ability to actively listen while simultaneously entering information into various electronic platforms
- Meet the key performance metrics of quality, productivity, and attendance per the program requirements
- Adhere to security and technical requirements at all times per our company policies
- Advise Supervisors or Team Leaders promptly if any problems, or matters
